# Start of Classes

SY 2020-2021 is set to open on **24 August 2020, Monday** for all levels.

# Learning & Teaching Methodology

All classes are to be administered on an **online basis. Training and supplementary materials will be provided to students and parents to aid learning.**

The physical classes may resume depending on the risk severity grading or classification of locality, pursuant to the guidelines of DOH, IATF and Office of the President of the Philippines.

For more information, please visit **[wsosonline.net](http://wsosonline.net)**

# Online Pre-enrolment

Parents and students may access the online pre-enrolment at [wsosonline.net](https://wsosonline.net)

Please take note of the registration requirements before proceeding.

Students with accountabilities should settle their balance with the Finance Department before they can enroll.

Email [info@wsos.edu.ph](mailto:info@wsos.edu.ph) to request billing statement

# Enrolment Process (New Student)

## STEP 1

Pay Entrance Exam Fee P200. Students will take the entrance exam online.

## STEP 2

Online interview schedule with the parent and student

## STEP 3

Proceed to [wsosonline.net](https://www.wsosonline.net) for pre-enrollment procedure and payments.

# Payment Procedure

Parents and students may pay online via **Bank Transfer**.

Bank Transfer details will be sent after submitting the online pre-enrollment form.

For balance and entrance exam fee payments, parents may email **info@wsos.edu.ph** for the details.

# Release of Report Cards

Report cards will be released on the **third week June 2020**.

# Devices Requirements

Computer Desktop, Laptop, or Tablet is highly recommended devices for online learning.

Second-Hand devices will suffice provided it has internet connection capability.

# Internet Connection Requirement

For best performance, the school recommends a minimum of **8mbps internet speed**.

For those using a mobile device, an LTE 4G or 5G connection is recommended.

# Tuition Fee

There will be no adjustment to the Tuition Fees.

There are costs attached to running a class fully online.

# Books and other learning materials

Textbooks and school provided learning kits play a vital role in the teaching-learning process of teachers and students.

Textbooks are still the best medium that provide organized units of work. Textbooks provides balanced, chronological presentation of lessons.

# Graduation Ceremony

Details for last school year's graduation shall be re-scheduled. Please wait for further announcement.

Graduation photo and yearbook will be distributed during the graduation ceremony.

# LESG & ANAG Applicants

Evaluation of applications will resume after  
MECQ.
